# OUR ARTISANS STORY

**Gopal Chakraborty is from West Bengal. He started to earn in his early days as he stopped education after his father's accident years back. To take care of his family he discontinued his education and started to work as a daily wage's labourer. He then thought to develop his skill set and joined the training center. His interest in making the Sheetal Patti products made him continue. Today he is training more than 5 people in a batch. He earns around 250 rupees per day.**

**Rukmini AC and Lalitha AC are twin sisters from the outskirts of Kodungallur, Kerala. Both the sisters are physically challenged and are unable to walk properly. There were times when Rukmini and Lalitha were finding it difficult to earn for their living. The situation changed when they started as helpers at the "Anganwadi" and then moved to our training center for learning the procedure of weaving products from Screw Pine Fibres as part-timers. They ARE now working with our Center full-time.**

**Gandhi Madhi was born in a village near Tirunelveli, Tamil Nadu. She is the elder of the two in her family. She started working at younger age. Her interest in Palm Leaf making made her join us and with the given training, she improved and started to earn from it. Presently she is earning around Rs 300 per day. Gandhi Madhi have started to train others and also help them in earning money.**
