"Hi, I'm Puniram, and my story is one of resilience. At the age of 5, polio hit, but that didn't stop me. I started school at 7 and went on to complete my MA in Art. In 2012, I fulfilled my dream of opening a tuition class, teaching students from LKG to class 8. Sadly, the pandemic forced me to shut it down in 2020. Back in my teenage years, I learned stitching in Babagaj market, earning ₹10-20 a day. During the lockdown, I returned to stitching, making ₹500-1000 in a single day. Now, I'm in training, planning to start my own business after gaining new skills."
