# Redefining the Spirit of Gifting

A socially responsible organization GiftAble welcomes you all to be part of a like-minded community that strives to maximize improvements in people's lives. GiftAble have been working on different SDGs directly and indirectly. However our primary SDGs are

**No Poverty** - Our Swatantra project aims to give them relevant employability skills, and sustainable income in partnership with local resource training centers.

**Decent Work and Economic Growth** - Our objectives are to Promote Inclusive and Sustainable Economic growth, and a trained cadre of Youth with Disabilities who are equipped with Industry required skill sets.

**Good health & Well being** - Svastya is a health initiative of GiftAble, that accelerates access to quality health care for People with Disabilities.

**Reduced Inequalities** - GiftAble is working to bridge that gap and empower people and promote the social, economic and political inclusion of all, irrespective of age, sex, disability, race, ethnicity, origin, religion, economic or other status.

**Quality Education** - GiftAble is committed to Inclusive and Equitable Quality Education, promoting lifelong learning from early interventions to university inclusivity.

# EVERY PRODUCT HAS A STORY TO TELL....

Hi! I am Shanthanu. My loved ones call me Shanu. I am a person with Autism Spectrum Disorder (ASD). I love working with colors, block printing, and listening to rock music."

I'm Pramila Devi from Anandpur, Uttar Pradesh. Despite an 80% lower limb disability, I've found hope working at GiftAble, where I stitch wallets and bags. After losing my husband, I've been raising my daughters alone, embracing resilience and self-reliance, hoping to inspire others to overcome challenges with grace.

Hi, I'm Vishal Patil, a passionate 20-something with autism. I love weaving, and with Diwali coming up, I'm busy making chocolates, painting diyas, and rolling paper. Let's create something amazing together!

"My name is Faisal. I live in Ottapalam, Palakkad district, Kerala. I was just a year old when I got hit with polio, and it left me paralyzed below the waist. So, despite the challenges, I came up with an idea for an eco-friendly pen called the Paper Seed Pen. It is crafted from recycled paper."

Gandhi Madhi, from a village near Tirunelveli, Tamil Nadu, began working young and developed an interest in palm leaf crafting. After joining us and receiving training, she honed her skills and now earns a stable income, supporting her family. She has also started training others, helping them earn as well.

Hello, art lovers! Our Paper Mache products are crafted in Kashmir by artisans overcoming orthopedic challenges. Each piece tells a story of resilience. Your purchase supports their journey. Join us in turning trials into beautiful narratives!
