DIWALI

With GiftAble

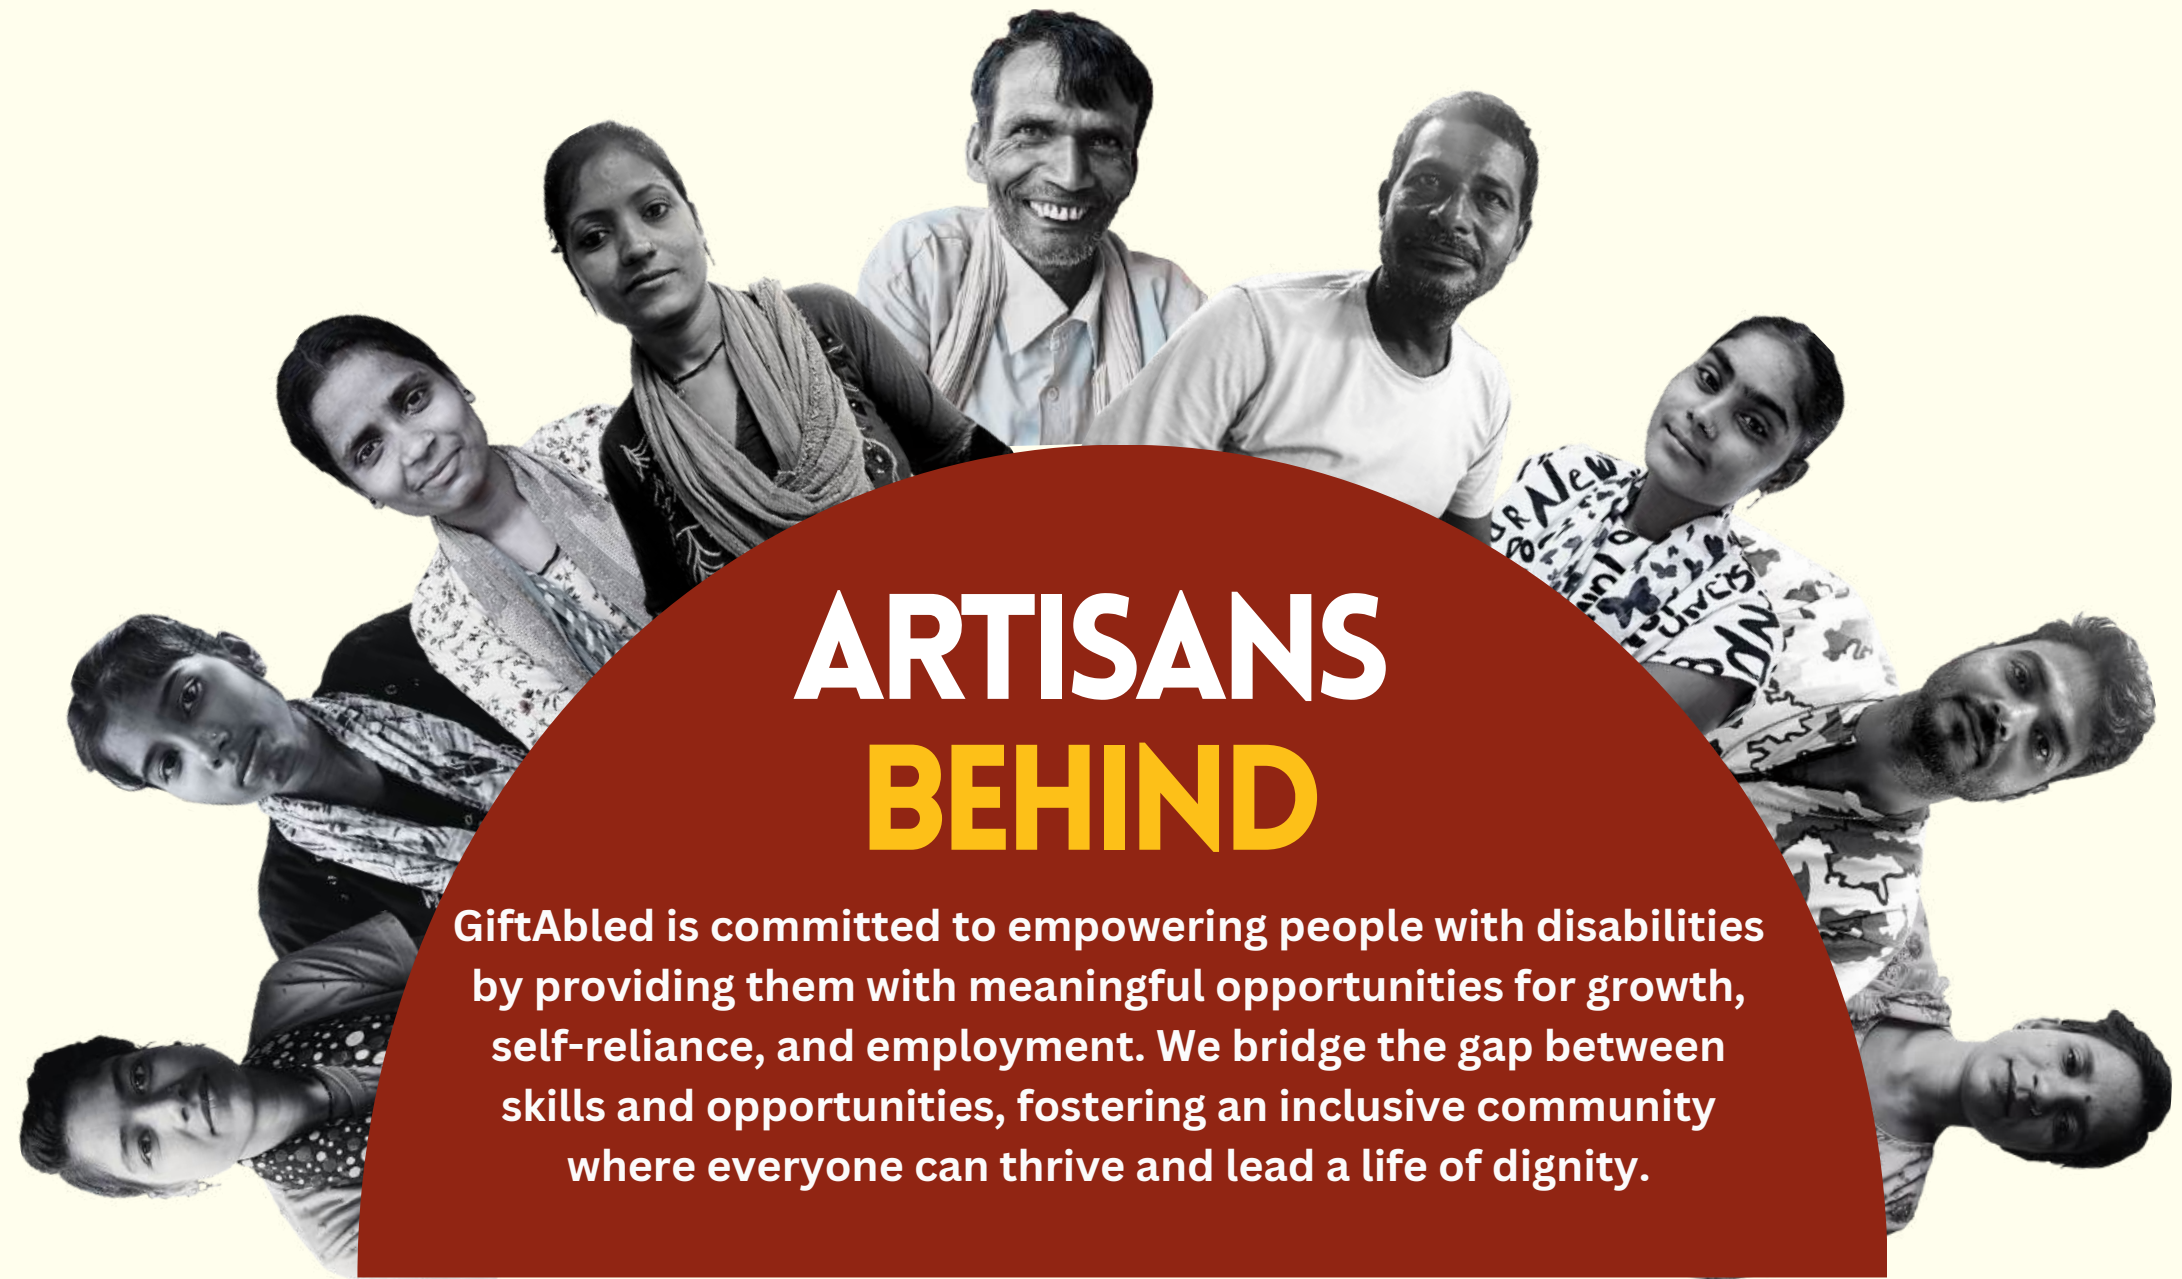

About Us

GiftAble is a social enterprise that strives to create an ecosystem of like-minded individuals to collectively build an inclusive society and also help people to improve their Quality of Living by offering Eco-friendly products.

We aim to empower People with Disabilities across several aspects of their life and support them in living with dignity. All our efforts are thus in line with empowering our Artisans with Disabilities by producing sustainable products.

What makes GiftAble's products unique is that they are handmade, evoking the social aspect without compromising the quality. The results are collections that are stylish yet cater to all categories of people. Our collective responsibility remains the same i.e. to empower Artisans with Disabilities and leverage enough profit to help them live a life with dignity.

Every product has a **STORY**

Jyothi K is a deaf artist whose vibrant colors and expressive brushstrokes reflect her unique connection with the world. Her paintings capture the beauty of nature – the vast sky, the gentle breeze – inviting us to see life through her perspective of silence, depth, and color.

Abdul Majeed Khan from Balrampur, affected by polio, regained freedom through a motorized tricycle from GiftAble. With renewed independence, he mastered advanced bag-making and now inspires others with his skills. Grateful and resilient, Abdul's journey shows the power of hope and community support to transform lives.

Gulab Jahan, living with a locomotor disability, found hope and purpose through GiftAble's garment-making training. From learning skills to becoming a trainer, she now empowers others while building a sustainable future. GiftAble believed in her potential—and helped her transform not just her life, but others' too.

Dilip Kumar from Bhinga, with a locomotor disability, found purpose through GiftAble's sewing program. Their support helped him build skills in stitching and pursue his passion for driving. Now independent, he travels between centers and proudly supports his family.

Good health & Well being - Svastya is a health initiative of GiftAble, that accelerates access to quality health care for People with Disabilities.

Quality Education - GiftAble is committed to Inclusive and Equitable Quality Education, promoting lifelong learning from early interventions to university inclusivity.

Our objectives are to Promote Inclusive and Sustainable Economic growth, and a trained cadre of Youth with Disabilities who are equipped with Industry required skill sets.

GiftAble is working to bridge that gap and empower people and promote the social, economic and political inclusion of all, irrespective of age, sex, disability, race, ethnicity, origin, religion, economic or other status.

No Poverty - Our Swatantra project aims to give them relevant employability skills, and sustainable income in partnership with local resource training centers.

GiftAble empowers marginalized communities, promoting inclusion and reducing inequalities. We strive for equal opportunities and a more equitable society.

GiftAble, a socially responsible organization, warmly welcomes you to be part of a like-minded community committed to driving meaningful change and improving lives.

We are proud to contribute to several Sustainable Development Goals (SDGs)—both directly and indirectly—through our mission of disability inclusion and empowerment.

Together, let's strive to achieve these SDGs with a focus on accessibility, dignity, and equal opportunity for all.
