Sharad & Vishal

Hi, I'm Vishal Patil, a passionate 20-something with autism. I love weaving, and with Diwali coming up, I'm busy making chocolates, painting diyas, and rolling paper. Let's create something amazing together!.

Hi, I'm Sharad. I have an intellectual and developmental disability, and I'm a perfectionist when it comes to chocolates. I keep refining each piece until it's just right because for me, only perfect is good enough. Every bite reflects my care and dedication.

Manju & Jyoti

Hey, I am Manjunath. I was born deaf in Koppal, Karnataka, but I never let it hold me back. At GiftAble, I learned packaging, and stock management. I find joy in nature, working with dry flowers, adding stone in Rubik cube and expressing myself through dance and acting. Every petal and performance tells a story of resilience just like mine.

Jyoti is a deaf artist whose vibrant colors and expressive brushstrokes bring her world to life. Her paintings capture the beauty around her, the vast sky, the gentle breeze and invite others to see the world through her unique perspective.

As part of their vocational training, they are now creating beautiful and unique diya candle using natural flower, painting. Each artwork they create is a celebration of their creativity, resilience, and love for nature.
